

# Westfield Homelink Group

## What is Homelink?

Homelink is a group set up to improve and develop the ways in which parents and carers can be more fully engaged in their child's school life

## What kind of activities will Homelink be involved in?

The group will be engaged in a number of activities aimed to improve the interaction between home and Westfield school, such as:

- \* Researching the most effective methods of engaging with parents / carers
- \* Surveying the opinions of the parents / carers population, analysing the results and building proactive action plans based upon the results
- \* Developing and delivering a calendar of proactive communication events. For example:  
How can you help your child prepare for GCSE examinations.

## Who makes up the Homelink group?

The group is a mixture of parents / carers, teachers and governors. We aim to recruit a cross section of parents to join the group.

## Is it really for me?

Are you interested in becoming more involved in school life? If the answer is yes then please contact us via email at: [WestfieldHomeLink@westfield-admin.co.uk](mailto:WestfieldHomeLink@westfield-admin.co.uk) and we'll let you have further details and invite you along to our next meeting.
