

History Y7 - How Hard was Life for Medieval People?

The Peri-ometer suggests the challenge the Home learning may offer. How **hot** are you willing to go?!

	What Happened to William the Conqueror?	Find out about the Sons of William the Conqueror – what happened to them?	What did Medieval people think caused the Black Death?	Medieval First Aid. Present your work as a First Aid Kit or a First Aid Manual.	Find out about life in Medieval towns.	The Peasants year – how hard was life like for ordinary people?
L7	Assess the impact of the life of William the Conqueror and what his death would mean. Present your work as an illustrated booklet.	Assess what happened to the sons of William the Conqueror.	Assess the beliefs of people in the medieval period as to what caused the Black Death and the effects it had on the country.	Analyse medieval medicine. Assess the likelihood of these cures working.	Create a story board for an advert for Medieval Towns during this period. Analyse why these Towns grew rather than other areas and what life would have been like there.	Create a calendar for a year in the Medieval period. Each month needs a picture and days during the month with an analysis of what life would be like for ordinary people.
L6	Explain the main points of William's life and his death. Present your work as an illustrated newspaper article.	Explain what happened to the sons of William the Conqueror.	Explain the ways people thought the black death was caused and how it affected the country.	Investigate Medieval medicine and cures. Explain the main cures you have found.	Create a story board for an advert for a Medieval Town. Explain why the Town grew and what life would be like if you visited.	Create a calendar for a year in the Medieval period. Each month needs a picture and days during the month with explanations of what needed to be done.
L5	Describe the death of William the Conqueror and present your work as a newspaper announcement of his death (an obituary)	Describe what happened to the sons of William the Conqueror.	Describe the ways people thought the black death was caused and how it affected the country.	Investigate different cures used in the Medieval period. Describe the main cures you have found.	Create an advertising poster for a Medieval Town, describing the Town and including drawings.	Create a poster showing life for ordinary people in Medieval times during each month of the year.
L4	Find out 5 facts about the death of William the Conqueror and present your work as a poster.	Find out who the sons of William were and what happened to them.	List 3 ways people thought the black death was caused and 3 effects the Black Death had on the country.	Investigate 3 different cures used in the Medieval period.	Create an advertising poster for a Medieval Town, listing 3 facts and a drawing.	Create a poster showing life for ordinary people in the four different seasons. What would they do in each season? How hard would life be?
