

History Y8 - The Industrial Revolution c. 1750 - 1900

The Peri-ometer suggests the challenge the Home learning may offer. How **hot** are you willing to go?!

	In what ways did Sheffield contribute to the industrial revolution? What big ideas/people/inventions came from here during 1750 – 1900?	Find out about the village called Saltaire, near Bradford. Why was it such an unusual place in Victorian Britain?	Pick one invention from the period 1750 – 1900 that changed the world.	Investigate the match girls who worked for Bryant and May match company. What was their work like? Why was it dangerous? What famous victory did they achieve?	Find out about some of the Victorian sea side resorts that grew because of the railways. Give some examples and find photos of how they looked then, the 1800's.	Apart from holidays, in what other ways did the railways change life in Britain?
L7	Assess what impact this had on Sheffield. Present your work as an illustrated booklet.	Assess why Saltaire was so unusual in Victorian Britain.	Assess why this was such an important invention.
