

Hypothesis -  
'Westfield School serves its community well'

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Task	<p>Collect a series of photographs to show the human and physical features you pass on your way to and from school. <i>You will need these to complete your independent challenge</i></p>	<p>Produce a labelled aerial photo of your house. <i>You will need to use the internet to find an aerial photo.</i></p>	<p>Turn the aerial photo of your home into a hand drawn map</p>	<p>Complete a traffic survey for the road where you live.</p> <p>How does it compare to the one you did in your lesson on Eckington Road?</p> <p>Is it busier or quieter?</p>	<p>Compare the old Westfield school building with the new. Which one looks better? Why?</p> <p>You will need to use the internet to research and compare pictures of the two buildings.</p> <p>Including copies of pictures in your work is a good idea</p>	<p>Use your copies of the questionnaire you have produced as a group in lessons to survey people ready to use your rests next lesson.</p>
