Course Description.

- ⇒ Learn and practise vocabulary on a wide range of topics including self and family, hobbies, technology, global and social issues, travel and tourism, school and future study and employment.
- ⇒ Recap and extend your knowledge of grammar touched upon in years 7-11 to allow you to use the language more independently.
- ⇒ Extend your knowledge of grammar to enable you to speak and write without support or notes and be able to translate both into and out of the target language.
- ⇒ Develop your listening and reading skills so that you can pick out key information you need from a conversation or from a longer written passage.

Why choose French?

- * A modern foreign language is a requirement if students wish to gain the English Baccalaureate and show higher educational establishments that they have broader knowledge and a wider skillset.
- * A modern foreign language is highly sought after in the world of business and opens up a multitude of career paths for the future.
- * As your teachers will tell you, studying a modern foreign language gives you the opportunity to explore and discover new countries and cultures all over the world.

ENTRY REQUIREMENTS

GCSE French is open to students of all abilities who have studied French in year 9. Students studying the new GCSE should have the confidence to speak in front of others in class and spontaneously without their books in preparation for their exams. They should also be willing to continuously practise their grammar and listening and reading skills at home to prepare for their termly assessments and end of year 11 exams.
